

## Beverly D.

The Beverly D. Stakes has taken its place as one of the most important grass races in the world for older fillies and mares, with four of its winners being honored with Eclipse Awards for top Female Grass Horse.

The attractions of the Beverly D. are many. The purse, \$750,000, is one of the richest in the world for a filly-and-mare grass stake. The race is ideally placed during Arlington's International Festival of Racing, which enables trainers to send several top horses to Arlington for a weekend of championship racing. And the race's distance, 1 3/16 miles, strikes the perfect balance between the shorter distances preferred by Americans and the longer distances preferred by Europeans.

The roster of winning horses, trainers and jockeys reads like a "Who's Who of North American Racing," and includes Charlie Whittingham, Bill Shoemaker, Chris McCarron and Sam-Son Farm.

Canadians and Californians have dominated the Beverly D. Canada struck first in 1987, when Dancing On A Cloud took the inaugural Beverly D. for the potent team of Sam-Son Farm and trainer Jim Day.

Because of the re-construction of Arlington, the Beverly D. was not held in 1988. For several years after, however, it was California dreamin'.

Claire Marine fought off numerous challengers to win the 1989 Beverly D. for trainer Whittingham and jockey McCarron, two Hall-of-Famers.

Reluctant Guest, a longshot, made a bold stretch run to nail the European filly Lady Winner and take the 1990 Beverly D. Robbie Davis was aboard.

A star-studded, international cast assembled for the 1991 Beverly D., and the race provided one of the most emotional moments in racing in 1991 when Fire The Groom rallied boldly for the win under Gary Stevens.

Fire The Groom's trainer, Bill Shoemaker, was confined to a hospital room in Denver, where he was undergoing rehabilitation from a tragic automobile accident that had left Shoemaker paralyzed.

But those closest to Shoemaker—including Shoemaker's assistant trainer, Paddy Gallagher—paid tribute to Shoemaker in a touching winner's circle ceremony. Gallagher was under tremendous pressure during Shoemaker's absence, and this was his finest moment, one he handled with grace and style.

In 1992, the California contingent struck again. West Coast-based Kostroma flew through the stretch with her patented late kick and posed for winner's circle pictures with trainer Gary Jones and jockey Kent Desormeaux.

Charlie Whittingham continued the California domination and became the first trainer to saddle two Beverly D. winners with Flawlessly's 1993 appearance. After a thrilling photo finish, Flawlessly was moved up to winner when Let's Elope, first-place finisher by only a nose, was disqualified for bumping both Flawlessly and Via Borghese. A true champion, Flawlessly earned the Eclipse Award as the nation's Top Female Grass Horse for the second straight year in 1993. Flawlessly would return to defend her crown in 1994 only to finish second behind classy European invader Hatoof.

In 1996, a dazzling performance by the globetrotting gray, Timarida, saw H. H. The Aga Khan grace the winner's circle, highlighting Arlington's truly international reputation.

The East Coast finally earned a Beverly D. victory when the talented J. J. Toner-trained filly Memories of Silver overcame a difficult trip to annex the 1997 renewal. Eclipse-award winning reinsman Jerry Bailey was in the saddle.

In 2000, Snow Polina gave Bailey his second straight Beverly D. tally while Corey Nakatani picked up his second Beverly D. score the following year astride England's Legend.

Two years later, Golden Apples became the fourth Beverly D. heroine to be named Eclipse Champion grass female.

Arlington Park chairman Richard L. Duchossois won the race which is named for his late wife when his Éclair de Lune, trained by Hall of Fame conditioner Ron McAnally, overtook pacesetter Romacaca in the stretch to score a 1 1/2-length victory in the 2010 edition of the Beverly D. Ridden by Arlington Park's leading jockey Junior Alvarado, Éclair de Lune covered the mile and three-sixteenths over "good" turf in 1:56.56.

"Winning this race means more to me than winning the Kentucky Derby," said Mr. Duchossois in accepting the Beverly D. trophy from his children and grandchildren.
